

SUMMER CAMP - GROUPS & INDIVIDUALS
WINTER CAMP - GROUPS

WHY GOING TO ITALY?

Thanks to the experience we have inherited from the Italian tour operator mother company and its 15 years of working, we know well this country and what we can offer in the most romantic European country.

Italy is one of the most requested destination in the world, and during the recent years, it has been more and more appreciated by tourists coming from different countries. That's why JoStudy always chooses to organize campus able to satisfy our clients requests and needs. This means **accommodations in amazing hotels**, activities aimed at specific sports, adventures and artistic labs; this means indoors and outdoors entertainment and all above **cultural and fun excursions** in surrounding regions.

From our Italian campuses, **the best cities of the Italian peninsula can be easily reached**: Rome, the eternal capital of Italy, the Renaissance city of **Florence**, the famous "Leaning Tower" of **Pisa**, the amazing colorful city of **Naples** and the floating city of **Venice** and other **artistic beauties of this country**, a perfect blend of natural and cultural wonders, in the country with the most **World Heritage Sites** along with China ever.

The only question you should ask yourself is: Winter or Summer? **Jostudy is awaiting you!**
